To access captions

1. Download the free App

    On iPhone / iPad – download from the **App Store**

    On Android – download from the **Google Play Store**

2. Connect to the network

- In Settings, set your device to Airplane mode to avoid interruptions
- Re-enable WiFi and select the Difference Engine network
  (available 20 mins before the event begins – if not, speak to a member of staff)
- Password is: engine123 (If this changes check the app Guide)

3. Open the App and select Captions

If you have a different device, or an older version of iOS or Android

- Connect to the Difference Engine WiFi network, as above
- In your browser, type 192.168.0.105 into the address bar - press Enter
- Select Captions

You might want to adjust your brightness down – it will save battery life!
